

# Investing for Success

**Under this agreement for 2017**

**Alexandra Hills State High School will receive**

**\$ 484630**

## This funding will be used to

Improve Reading and Numeracy in all year levels and introduce the innovative Technologies Curriculum based around Automation, Robotics and Coding

### NAPLAN Targets for Year 7

- Increase the percentage of students in the Upper Two Bands (**U2B**) to **15% for writing**
- Increase the **School Mean to 495 for writing**
- Increase the **School Mean to 525 for reading**
- Increase the **School Mean to 530 for numeracy**

### NAPLAN Targets for Year 9

- Increase the percentage of students in the Upper Two Bands (**U2B**) to **15% for numeracy**
- Increase the **School Mean to 580 for numeracy**
- Increase the **School Mean to 570 for reading**
- Increase the **School Mean to 530 for writing**

## Our initiatives include

- Providing **intervention** programs and support to assist students to improve their skills in literacy and numeracy
- Building **enrichment** and challenge into the curriculum for more able students
- Implementing **professional development** for teachers to enhance their skills
- Utilizing **external expertise** to improve the curriculum and pedagogy at Alexandra Hills SHS

# Investing for Success

## Our school will improve student outcomes by

Utilising extra **teachers and teacher aides** in order to facilitate the following:

- Corrective Reading for students of lowest reading ability
- Specific reading lessons for all students in Year 7 (RSI)
- One to one reading assistance in classes
- A range of after school programs
- Numeracy/mathematics improvement programs
- Embedded and additional strategies for specific groups of students
- Cross curriculum focus on writing
