PLAGIARISM POLICY

2013

Success is the Key to Learning

Plagiarism

If a student submits a piece of work for assessment as his/her own work and it is proven to be that of

- another student
- Written by a sibling or parent
- Taken in whole or part from articles published in magazines/novels/guides to literary text, the Net, etc,

The student's work will be given an E- result, parents will be notified of the plagiarism and the outcome and the student will be counseled about the dangers of plagiarism, not only at school, but also in other academic institutions, e.g. cancellation of enrolment at universities.

The student who provides his/her work to another student with the knowledge that's/he intends to copy/plagiarise it and submit the duplicated work as his/her own work, will be receive a consequence for his/her actions determined on a case by case basis by the HOD in consultations with Admin.
